ORDER

This matter is before the court on the letter request of Warden Craig Apker (Warden Apker) at Federal Correctional Complex Butner (FCC Butner), for an extension of time of the evaluation period of Tecumseh Wolf (Wolf) pursuant to this court's March 28, 2013, order, which committed Wolf to the custody of the Attorney General to place the defendant in a suitable facility to determine whether Wolf is suffering from a mental disease or defect as a result of which his release would create a substantial risk of bodily injury to another person or serious damage to property of another pursuant to 18 U.S.C. § 4246(b). See [Filing No. 48](#) - Order. Warden Apker represents that FCC Butner admitted Wolf on April 24, 2013, and an assigned treatment team is conducting interviews and psychological testing necessary to complete Wolf's evaluation. Warden Apker represents his staff will submit a final report within fourteen working days after the completion of the evaluation period. After consideration,

IT IS ORDERED:
